

Dansville, NY Othrodontic Practice Sale

Overview:

- Part-time orthodontist practice within a large multi-doctor general practice in Dansville, NY.
- Practice is 51% owned by seller, 49% owned by general practice owners.
- Established referral base from the large multi-doctor general practice. Orthodontic practice reached ~\$600k in annual production before slowing down new cases.
- Ideal opportunity for an orthodontist looking to add 1-day per week opportunity with room for growth.
- 30% of collections pay for the doctor services, 51/49% profit sharing after expenses.
- Established operating, space sharing and profit-sharing arrangements.
- Flexible Price & Transaction Terms, deferred payout structure possible.

Reason for sale: Practice is for sale as the Seller is focusing on practices closer to home. Seller willing to sign Non-Compete & Non-Soliciation Agreements.
